

Dear Todd & Candice

I just wanted to say that I am very excited about you adopting a child. I've known both of you for almost ten years, (even before you were married!) It's been great getting to know both of you personally and from work. I wish you the strength to make it thru what I've heard is a very trying process.

That's a redundant wish; you will make it thru, and there's a very lucky child out there that's going to become an integral part of an amazing family full of love and care. I honestly can't think of a better situation for a kid. You're very intelligent, patient and caring, some of the best qualities of parents.

Wishing you all the best,
Doug
